THIRTY-THIRD SUNDAY IN ORDINARY TIMES

We are coming to the end of our Liturgical Year. Next Sunday is Our Lord Jesus Christ, King of the Universe. The week that follows brings this Liturgical Year to a close as the following Sunday,

30 November, is the first Sunday of Advent and we once again prepare our hearts for the coming of our Savior at Christmas. The Liturgical Year is also called the church year, Christian Year, or the ecclesiastical year and is "...the cycle of liturgical days and seasons that determines when feast days, including the celebration of saints, are to be observed and which portions of scripture are to be read." The seasons and general colors of the Liturgical Year include Advent-purple or violet and rose, Christmas-white, Ordinary Time-green, Lent-purple or violet and rose, the Triduum-white, red, white, Easter-white and more Ordinary Time-green (specific memorials and feasts have their own specific colors). The Liturgical Year also determines the cycles we are in. During this coming year, 2026, we will use Year A Sunday Cycle and the weekday cycle for Cycle 2.

But before we get too busy with the upcoming Advent and Christmas Seasons, now is a great opportunity to reflect on why we have a Liturgical Calendar that is distinct and separate from the regular calendars we are used to.

The Catechism tells us why we use a different calendar; the focus is Jesus Christ and not the physical world around us. As the Catechism tells us: "The celebration throughout the year of the mysteries of the Lord's birth, life, death, and Resurrection in such a way that the entire year becomes a "year of the Lord's grace." Thus the cycle of the liturgical year and the great feasts constitute the basic rhythm of the Christian's life of prayer, with its focal point at Easter." The Liturgical Year allows us as Christians to enter into a closer relationship with God since "...the year is transfigured by the liturgy....the economy of salvation is at work within the framework of time...." Just as God sent Jesus Christ to save us, He once again, through the workings of the Church and the liturgical year, sends Jesus to enter our lives to save us, strengthen us, teach us but most importantly, to love us. The Paschal Mystery is the foundation of the Liturgical Year, and it reminds us that Jesus is in the here and now, with us, and the mysteries that unfold throughout the year allow our lives to become one with Him through His birth, ministry here on earth, His passion, death, resurrection and ascension.

So why do we have a Liturgical Year? To bring us closer to God, to give us"... a year of the Lord's favor...", "...a year of the Lord's grace."

Yours in the Liturgical Year,
Deacon Bernie
